Dr. Sabrina Tillman Winfrey, Executive Director

Happy Second Semester Parents!

10/06/2020

Thank you for being patient with us while we continue to provide transportation during these unprecedented times. At this time we are reaching out to ask for your help and support.

We are still having problems with students coming to school without masks. There has been and still is a requirement for all students to wear masks before boarding the bus. To assist with this, each school has provided each student with two cloth masks for each child to take home. These masks can be washed daily. After October 8, students will not be allowed on the bus without a mask. This is another precautionary measure we are taking to keep our students and drivers safe.

If you have any questions or concerns, please reach out to your child's principal.

Thank you for your continued support!

Sabrina Tillman Winfrey, Ed.D.
Executive Director Of Federal Programs/
Curriculum and Instruction

We Are All In This Together!
