

*Mission: To empower, inspire, support, and prepare our students for the world.*

January 1, 2022

ACS staff, students and families....

Welcome to 2022! As we usher out the old year and begin the new year, there are opportunities for various beginnings – new classes, new faces and new material. We hope you enjoyed this time with your family and friends and caught up on some much-needed self-care!

Anniston City Schools offices are scheduled to reopen on Monday, January 3, 2022 with students returning to classes on Tuesday, January 4, 2022. We will continue our strict COVID-19 mitigation protocols, which includes mandatory masks for everyone inside an ACS school or office building. If any students and/or employees are experiencing COVID-19 symptoms or are awaiting test results, you should refrain from attending in-person school or work.

We are monitoring available data on infection rates in Calhoun County. The district will inform parents and employees if any changes are made to the reopening of offices and schools, as soon as possible. Please continue to enjoy your break safely and keep an eye on social media and your email; this is where we will post any updates.

Sincerely,

*Dr. D. Ray Hill*
